ADMINISTRATION

Del Rey Campus Update:

Marina Christian Fellowship Lease Agreement

An extension of the existing lease agreement was executed by MCF and OCS on May 2nd and includes a 5% increase to the rent.

Emergency Systems and Emergency Supplies

The Emergency Fire Alarm System on campus will be serviced this week as a result of the alarm going off unexpectedly in the late evening last Tuesday. Fire extinguishers will be serviced as well, as they are typically serviced annually during the summer.

Summer Activities on Campus

The campus will be buzzing with activity this summer with children attending Red Rose Camp, KITE classes, and an early childhood education program.

Summer Cleaning and Moving Classrooms

This summer, instead of purchasing moving boxes to pack up classroom materials, we are renting recycled storage boxes. The recycled boxes are environmentally friendly and are more cost effective than purchased ones.

The usual deep cleaning, including carpets, floors, cupboards, etc. will make the DR campus shine when the students and teachers return to school in August.

Westchester Campus Update:

Summer Cleaning

The WC classrooms and office floors will be cleaned and waxed this summer. The WC plant manager is coordinating the cleaning schedule with Ms. Jenny.

Summer Access

Per our lease agreement, we will have full access to the classrooms 10 days prior to our first day of instruction.

**LAUSD Annual Oversight Visit:**

The LAUSD team from the Charter School Division communicated that they are finalizing the Oversight Report for OCS. We will share the results of the Annual Review Report as soon as we receive it from the CSD. OCS will be evaluated overall in the following areas: Governance, Student Achievement and Educational Performance, Organizational Management, Programs and Operations, and Fiscal Operations. The information derived from the Oversight Report will inform our upcoming Charter Renewal, which will occur in the 2017-2018 school year.

Enrollment Update:

7-39

8-50

Total-515

Parent Tours and Information Meetings:

Many parents attended the additional tours and information meetings offered May 31st at DR and June 1st at WC. It is always delightful to hear the enthusiasm expressed from parents hearing about OCS for the first time! The WC tour was specifically geared towards families that have accepted spots in the upper grades for next year. Having a basic understanding of our program and of what a typical week entails for our students are key aspects of supporting new students in the older grades.

ACADEMIC PROGRAMS:

Curriculum:

CAASPP Standardized Testing:

OCS has completed all 2016-17 standardized testing for grades 3rd -8th in ELA and Math, and trial test for Science in grades 5th and 8th. Congratulations to all of our students for making their best efforts on this year's tests, and to our teachers for providing a testing environment that is as relaxed and positive as possible. As LAUSD uses our standardized test scores as the primary measure in evaluating our charter each year, we appreciate our community's effort to help OCS shine while being mindful of our students' emotional and developmental health.

Final ACG Meeting of the 2017-18 School Year - 8TH Grade Project Presentations:

Our final ACG meeting of the year featured amazing 8th grade presentations that spanned in topics from the "Plight of Women and Children in Afghanistan" to "Fast Fashion" to "Permaculture". Parents and students learned so much from the 8th graders' presentations, and younger students were inspired to start imagining what their topic will be. It is always so inspiring to see the 8th grade projects and the depth of the work that goes on. There were so many topics of varied interest that there was something for everyone. Great job to both 8th grade classes!

Coming School Events:

- June 13th, Tuesday, **Spring Concert**, WC Auditorium 5:00pm
- June 16th, Friday, 8th Grade Graduation and Last Day of School – Early Release

2017-2018 School Year Reminders:

- August 10th, Thursday, Annual Ice Cream Social, DR Campus, 4pm- 6pm
- August 15th, Tuesday, First Day of Instruction – Early Release
