## **ADMINISTRATION**

### **Prop 39/Co-location Update:**

OCS and WESM administration continue to work collaboratively on school safety issues, parking and traffic issues, shared space use (softball field and Social Hall), and curricular partnerships.

### **Mar Vista Campus Update:**

#### Plumbing:

OCS continues to work with MCF to address particular plumbing issues on campus.

#### Electrical work:

OCS contracted with Powell Electric to complete necessary electrical repairs, including replacement of lighting ballasts to stop the flickering lights throughout the campus classrooms.

### **Long Term Site Update:**

OCS' site task force is investigating two private sites as possibly viable properties for our school's home. Advantages and disadvantages of both sites are being weighed in this initial investigation phase. OCS has hired the architecture firm of GKKworks to collaborate with our project manager and other consultants on site investigation, funding, compliance and timeline for our Prop 1d funds.

### **Enrollment Update:**

2015-16 Enrollment as of September 28, 2015 is 465. Offers are pending throughout the grades.

### **Diversity Update:**

Our faculty and staff will participate in our second Sensitivity and Culturally Responsiveness training on Oct. 16, 2015. The focus of this training will be "Exploring Barriers to Learning". Our next Diversity Committee meeting will be held Wednesday, Oct. 14<sup>th</sup> at 6pm at the WC campus. Board members are encouraged to attend.

## **ACADEMIC PROGRAMS**

### **2014-15 CAASP Results:**

See attached spreadsheet of OCS, LAUSD, and CA results indicating percentage of students scoring proficient or above on the 2014-15 ELA and Math tests. Additional analysis will be discussed at the meeting.

**Internal Benchmark Assessments:**

Analysis of the first benchmark assessments of the year will be shared and will include school-wide data, data by grade level, data by subject, and data by subgroups including: EL students, Hispanic/Latino students, and Sped students.

**Common Core Math Professional Development:**

OCS teachers will continue their work with Common Core Math during our second professional development training on October 7<sup>th</sup>. Study involves implementing the Depth of Knowledge framework to classroom lessons to ensure all students are not only being supported but also being challenged with critical thinking opportunities. See attached Depth of Knowledge (DOK) outline.

**2015-2016 LAUSD Annual Performance-Based Oversight Visit:**

The Charter Schools Division (CSD) team will be visiting the OCS campuses and conducting the annual review on October 1<sup>st</sup> and October 8<sup>th</sup>. The annual performance-based oversight visit focuses on charter school performance in the following categories: Governance, Student Achievement and Educational Performance, Organizational Management, Programs and Operations, and Fiscal Operations.
