Hi Caitlin,

Pleasure speaking with you over the phone! As discussed, I'm very interested in serving on the Board, if ever there is an open position in the future. My husband is interested as well. We were referred to your school by several parents whose kids attend your school. Also, more specifically, my little cousins, Abigail & Sofia Manalang attend Ocean Charter and they along with their parents (my Uncle Dan & Aunt Lisa Manalang), continuously rave about how enriching and great the school is.

A little about my family and I: We are a bilingual family (French/English) and are very cultured and creative. My husband & I sense that our kids would flourish in a community such as Ocean Charter's so the idea of serving on the Board to further gain knowledge of the school is ideal. I'm a working mom of 2 young toddler boys ($3\frac{1}{2}$ & $2\frac{1}{2}$). I also work at a respected entertainment law firm and could potentially provide entertainment industry resources. My husband is a designer, fluent in French, a street-smart business man, modern stay-at-home dad, and as luck may have it, quite handy at contractor-work w/ a strong knack to save on production costs and come under budget. I truly believe that my family and I can provide forward thinking and valuable resources to the Board. The following is my and/or my husband's information for consideration for potential Board opportunities/positions. Thanks again for your time on the phone!
