

Reference to LAUSD Dec. 14, 2021 Special Board Meeting:

OCS acknowledges and references the updated LAUSD policies related to student and employee Covid-19 vaccinations at all district approved charter schools from the LAUSD Special Board meeting of Dec. 14, 2021.

Specifically, OCS references the following:

Board of Education Report No. 158 – 21/22

Office of the Superintendent

(Approval to Delay the Transfer of Students Not in Compliance with the Vaccination Requirement to Online Independent Study Instruction; and Application of Student and Employee Vaccine Policy to All LAUSD Authorized Charter Schools) Recommends approval to (1) delay transferring students not in compliance with the vaccination requirement to online independent study instruction until the Fall 2022 semester, (2) adopt the District's student and employee vaccination policy as a policy applicable to all charter schools authorized by the Board of Education, and (3) require all LAUSD authorized charter schools to publicly post all applicable COVID-19 vaccination requirements no later than January 10, 2022.
