

First through Eighth Grade Teachers  
February 2023 | Ocean Charter School | Del Rey, California

Ocean Charter School (OCS) uses a Waldorf Educational approach to teach common core standards in a public school setting. We are accepting applications for First through Eighth Grade teaching positions for the 2023-2024 school year, and we welcome like-minded individuals interested in Waldorf Education to apply. OCS teachers practice looping, where they move with their class through the grades and remain teaching the same students for multiple years. We are particularly interested in candidates with the ability and flexibility to teach all grades, including the upper loop (6-8). OCS offers summer training to prepare teachers for the upcoming school year as well as additional professional development opportunities, mentoring, and a supportive working environment.

Qualifications for Teachers:

1. Bachelor's Degree
2. Clear Multiple Subject Teaching Credential
3. EL Authorization
4. Waldorf Teaching Certificate (or commitment to obtain certification)
5. Experience in Waldorf class teaching preferred
