PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Pursuant to Government Code Section 87300, every local government agency must adopt and promulgate a Conflict of Interest Code. Agencies are required to amend their Conflict of Interest Codes when necessitated by changed circumstances pursuant to Government Code Section 87306.

In accordance with the Political Reform Act of 1974, the Board of Supervisors is the code reviewing body for Los Angeles County. The Board of Supervisors must approve an agency's code before it can take effect.

The proposed Conflict of Interest Codes have been thoroughly reviewed and approved by the code review staff in accordance with the procedures established by your Board.

Implementation of Strategic Plan Goals

Approval of the attached codes broadly supports the County's strategic plan strategy of pursuing Operational Effectiveness, Fiscal Responsibility and Accountability.

FISCAL IMPACT/FINANCING

Local governmental agencies must have a Conflict of Interest Code in which individuals in designated positions are required to disclose financial interests at a level appropriate to their decision-making authority.

Adoption of a Conflict of Interest Code deters potential conflicts of interest, thereby averting misuse of public funds.

The recommended action has no effect on budget revenues or expenditures.
