INDEPENDENT AUDITORS' REPORT

Board of Trustees Ocean Charter School Los Angeles, California

Report on the Audit of the Financial Statements *Opinion*

We have audited the accompanying financial statements of Ocean Charter School (the Organization), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ocean Charter School and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the Organization's financial statements as a whole. The accompanying supplementary schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and, except for the portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited", has not been subjected to the auditing procedures applied in the audit of the auditing procedures applied in the audit of the financial statements and satements and statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated December 12, 2022 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Ocean Charter School (the Organization) is a California nonprofit public benefit corporation and is organized to manage and operate a public charter school.

The Organization is funded principally through the state of California public education monies received through the California Department of Education and the Los Angeles Unified School District (the District).

The District has granted the charter through March 2023. The charter may be revoked by the District for material violations of the charter, failure to meet pupil outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board (FASB).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the Organization's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include pension expense, other employee benefits, payroll taxes, occupancy, and depreciation, which are allocated based on the ratio of salaries and wages directly applied to each function.

Cash and Cash Equivalents

The Organization defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and a restricted maintenance account.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2022. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased, or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The Organization capitalizes all expenditures for land, buildings and equipment in excess of \$1,000.

Contributed Assets and Services

Contributions of donated nonfinancial assets are recorded at fair value in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair values in the period received.

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by the Organization based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2022, the Organization has conditional grants of \$994,412 of which \$747,091 is recognized as deferred revenue in the statement of financial position.

Program Revenues

Program revenues consists primarily of after-school and summer program services. The performance obligation for providing these services, except the summer program, is simultaneously received and consumed by the students; therefore, the revenue is recognized ratably over the course of the academic year. Deferred revenue represents payments for the summer program received prior to satisfaction of the performance obligation. The following table depicts information about changes in the summer program liabilities as deferred revenue for the year ended June 30, 2022:

	Program	
	Service Fees	
Balance - Beginning of Year	\$	-
Revenue Recognized		-
Payments Received for Future Performance Obligations		49,449
Balance - End of Year	\$	49,449

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the Organization is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the Organization. Full-time, 12-month employees accrue five days of paid vacation per year and employees who have worked at the Organization for more than one year can accrue an additional five days per year.

Income Taxes

The Organization is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Organization files an exempt organization return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Change in Accounting Principle

In September 2020, FASB issued Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958) – Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets.* The update requires that contributed nonfinancial assets are presented separate from contributions of cash and other financial assets in the statement of activities and requires additional qualitative disclosures. The Organization has adopted ASU 2020-07 during the year ended June 30, 2022. There was no material impact on the Organization's financial position and results of operations upon adoption of the new standard.

Evaluation of Subsequent Events

The Organization has evaluated subsequent events through December 12, 2022, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures are comprised of the following as of June 30, 2022:

Cash and Cash Equivalents	\$ 1,147,010
Accounts Receivable	1,220,491
Less: Board Designated Net Assets	(259,629)
Total	\$ 2,107,872

As part of its liquidity management plan, the Organization monitors liquidity required and cash flows to meet operating needs on a monthly basis. The Organization structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

NOTE 3 CONCENTRATION OF CREDIT RISK

The Organization maintains its cash in bank deposit accounts at various institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, cash in these accounts exceeds the insured amounts. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense was \$1,442,104 for the year ended June 30, 2022.

The components of property, plant, and equipment as of June 30, 2022 are as follows:

Building Improvements	\$ 58,219,881
Equipment, Furniture and Fixtures	85,753
Total	58,305,634
Less: Accumulated Depreciation	(1,857,148)
Total Property, Plant, and Equipment	\$ 56,448,486

NOTE 5 LONG-TERM DEBT

Proposition 1D

Proposition 1D, passed by California voters in November 2002, established the Charter School Facility Program and provided to charter schools that provide site-based instruction for access State of California facility funding directly for the construction of new charter schools or additions to existing charter schools. Per Proposition 1D one-half of the approved project costs paid under the award are reimbursed in the form of a State grant and one-half of the approved project costs paid under the award are required to be remitted back to the State of California in the form of lease payments over a period not to exceed 30 years.

During the fiscal year ended June 30, 2012, the Charter School was awarded \$7,543,549 in Charter School Facilities Program funding established by Proposition 1D. During the fiscal year ended June 30, 2018, the Charter School was awarded an additional \$28,521,085 Facilities Program funding established by Proposition 1D. The site improvements made under the guidelines of the Proposition 1D award are being accounted for as building improvements. As of June 30, 2022, the liability balance of Proposition 1D was \$10,300,000.

Future minimum payments are as follows:

<u>Year Ending June 30,</u>	 Amount	
2023	\$ 296,782	
2024	267,920	
2025	273,324	
2026	278,838	
2027	284,463	
Thereafter	 8,898,673	
Total	\$ 10,300,000	

Note Payable

On July 16, 2020, the Organization entered into an agreement with the District to fully reimburse the District for Proposition 39 over-allocated space during the 2016-17, 2017-18, and 2018-19 school years. The Organization will be paying the District a collective total of \$1,265,158 through June 2030. The Organization has authorized the District to deduct the payment from the Organization's revenue account.

Future minimum payments are as follows:

Year Ending June 30,	 Amount	
2023	\$ 148,145	
2024	148,145	
2025	148,145	
2026	148,145	
2027	148,145	
Thereafter	 444,433	
Total	\$ 1,185,158	

NOTE 6 NET ASSETS

The Organization's net assets consist of the following at June 30, 2022:

Net Assets Without Donor Restriction:	
Undesignated	\$ 45,972,239
Designated for Operating Reserve	154,707
Designated for Maintenance Reserve Funds	 259,629
Total Net Assets Without Donor Restriction	\$ 46,386,575

NOTE 7 EMPLOYEE RETIREMENT

State Teachers' Retirement System (STRS)

Plan Description

The Organization contributes to the State Teachers' Retirement System (STRS), a costsharing multi-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2021 total STRS plan net assets are \$310 billion, the total actuarial present value of accumulated plan benefits is \$414 billion, contributions from all employers totaled \$5.744 billion, and the plan is 73% funded. The Organization did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, California 95826 and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. The Organization is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2022 was 16.92% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

The Organization's contributions to STRS for the past three years are as follows:

	R	equired	Percent
<u>Year Ending June 30,</u>	Co	ntribution	Contributed
2020	\$	314,587	100%
2021	\$	270,463	100%
2022	\$	341,961	100%

NOTE 7 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS) (Continued)

On Behalf Payments

The State of California makes contributions to CalSTRS on behalf of the Organization. These payments consist of State General Fund contributions to CalSTRS in the amount of \$220,892 which were recorded as revenues and expenditures in the financial statements.

Defined Contribution Plan

The Organization offers an Internal Revenue Code Section 403(b) retirement plan to each of its qualifying employees. The Organization reviews the plan annually and determines the amount of employer contributions, if any, for the year. During the year ended June 30, 2022, the Organization contributed \$32,431 to this plan.

NOTE 8 CONTRIBUTIONS OF NONFINANCIAL ASSETS

The Organization recognized contributed nonfinancial assets representing in-kind rent for its school facility. The facility is under a 40-year no cost lease with Los Angeles Unified School District (LAUSD) conditional upon the Organization continuing to operate its charter school. In valuing the in-kind rent, which is located in Los Angeles, the Organization estimated the fair value on the basis of comparable lease prices in the Los Angeles real estate market. During the year ended June 30, 2022 the Organization recognized \$531,558 in contributions of nonfinancial assets and a corresponding expense.

NOTE 9 CONTINGENCIES, RISKS, AND UNCERTAINTIES

The Organization has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

OCEAN CHARTER SCHOOL NOTES TO SUPPLEMENTARY INFORMATION YEAR ENDED JUNE 30, 2022

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the charter school and whether the Organization complied with the provisions of the Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the charter school. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Ocean Charter School Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ocean Charter School (the Organization), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 12, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Trustees Ocean Charter School Los Angeles, California

Return on Compliance

Opinion on State Compliance

We have audited Ocean Charter School's (the Organization) compliance with the types of compliance requirements described in the 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel for the year ended June 30, 2022. The Organization's State compliance requirements are identified in the table below.

In our opinion, the Organization complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2022.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to below occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and 2021-2022 *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to below and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the Organization's compliance with the laws and regulations applicable to the following items:

	Procedures
Description	Performed
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable
After/Before School Education and Safety Program	Not Applicable
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Local Control and Accountability Plan	Yes
Independent Study-Course Based	Not Applicable

Description	Procedures Performed
Immunizations	Yes

Expanded Learning Opportunities Grant (ELO-G)	Yes
Career Technical Education Incentive Grant	Not Applicable
In Person Instruction Grant	Yes
Charter Schools:	
Attendance	Yes
Mode of Instruction	Yes
Nonclassroom-Based Instruction/Independent Study	Yes
Determination of Funding for Nonclassroom-Based Instruction	Not Applicable
Annual Instructional Minutes – Classroom Based	Yes
Charter School Facility Grant Program	Not Applicable

Purpose of this Report

The purpose of this report on state compliance is solely to describe the results of testing based on the requirements of the 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. Accordingly, this report is not suitable for any other purpose.

OCEAN CHARTER SCHOOL SCHEDULE OF FINDINGS AND QUESTIONED COSTS YEAR ENDED JUNE 30, 2022

All audit findings must be identified as one or more of the following categories:

Five Digit Code	Finding Types
10000 20000 30000 40000 42000 43000 50000 60000 61000 62000 70000 71000	Attendance Inventory of Equipment Internal Control State Compliance Charter School Facilities Program Apprenticeship Federal Compliance Miscellaneous Classroom Teacher Salaries Local Control Accountability Plan Instructional Materials Teacher Misassignments
72000	School Accountability Report Card

Our audit did not disclose any matters required to be reported in accordance with *Government Auditing Standards* or the 2021-2022 *Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting.*

OCEAN CHARTER SCHOOL SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS YEAR ENDED JUNE 30, 2022

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

Year End Closing (Material Weakness)

30000

Type of finding: Material Weakness in internal control over the year end closing process.

Criteria: Verify that the Organization has an appropriate internal control system which would allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis, whether due to error or fraud.

Condition: Property was transferred to the authorizer, yet was still on the balance sheet of the Organization. Additionally, costs of issuance were still capitalized, these costs should have been fully amortized at the time the related debt was paid in full. These misstatements were not identified during the year-end closing process.

Context: The condition was identified through review of the Organization's records related to the financial account balances.

Effect: A restatement of the financial statements was needed to correct the misstatement. Entries were posted to correct property and costs of issuance as well as the beginning balance.

Status: Implemented.
