CALSAAS Update 10/15/26

2025-26

- 6 exceptions identified: 1 was a CALPADS error when submitting the data; 5 were elective teachers who were teaching on Local Assignment Options; we've submitted our determinations on all 6 and will go back and forth with the district, our monitoring agency, to ensure they have the documents to clear all of them by the January deadline
- DON (Declaration of Need was filed)

2026-27

- 7 Local Assignment Options (LAOs) are in place this year for elective classes
