Procedures

The following procedures shall be used to address all complaints which allege that OCS has violated federal or state laws or regulations enumerated in the section "Scope," above. The

compliance officer shall maintain a record of each complaint and subsequent related actions for at least three (3) calendar years.

All parties named shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- **Step 1: Filing of Complaint**

Any individual, including a person's duly authorized representative or an interested third party, public agency, or organization may file a written complaint of alleged noncompliance or unlawful discrimination, harassment, intimidation or bullying pursuant to this Policy.

A complaint of discrimination, harassment, intimidation or bullying may be filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying or by one who believes any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. An investigation of alleged discrimination, harassment, intimidation or bullying shall be initiated by filing a complaint no later than six (6) months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying unless the time for filing is extended by the Executive Director or designee, upon written request by the complainant setting forth the reasons for the extension. Such extension by the Executive Director or designee shall be made in writing. The period for filing may be extended by the Executive Director or designee for good cause for a period not to exceed ninety (90) calendar days following the expiration of the six-month time period. The Executive Director shall respond immediately upon a receipt of a request for extension.

All other complaints under this Policy shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the OCS Board of Trustees approved the LCAP or the annual update was adopted by OCS.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and notation of date received.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees, LCAP, or noncompliance with Education Code section 243 or 244 may be filed anonymously as set forth in this Policy. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, OCS staff shall assist the complainant in the filing of the complaint.

- **Step 2: Mediation**

Within three (3) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of engaging in mediation with a neutral third-party. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of a discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree that the mediator must maintain confidentiality.

If the mediation process does not resolve the complaint to the satisfaction of the complainant, the compliance officer shall proceed with the investigation of the complaint.
The use of mediation shall not extend OCS's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- **Step 3: Investigation of Complaint**

The compliance officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally.

The complainant and/or the complainant's representative shall have an opportunity to present evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, or a complainant's failure or refusal to cooperate in the investigation or the complainant's engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

OCS's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- • **Step 4: Final Written Decision**

OCS shall issue an investigation report (the "Decision") based on the evidence. OCS's Decision shall be in writing and sent to the complainant within sixty (60) calendar days of OCS's receipt of the complaint unless the timeframe is extended with the written agreement of the complainant. OCS's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The Decision shall include:

1. The findings of fact based on evidence gathered.

2. The conclusion providing a clear determination for each allegation as to whether OCS is in compliance with the relevant law.

3. Corrective actions, if OCS finds merit in the complaint and any are warranted or required by law.

4. Notice of the complainant's right to appeal OCS's decision within thirty (30) calendar days to the CDE except when OCS has used its UCP to address complaints that are not subject to the UCP requirements.

5. Procedures to be followed for initiating such an appeal.

If an employee is disciplined as a result of the complaint, the Decision shall simply state that effective action was taken and the employee was informed of OCS's expectations. The Decision shall not give any further information as to the nature of the disciplinary action except as required by applicable law.

Appeals to the CDE

If dissatisfied with the Decision, the complainant may appeal in writing to the CDE within thirty (30) calendar days of receiving the Decision. The appeal shall be accompanied by a copy of the complaint filed with OCS and a copy of the Decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision, including at least one of the following:

1. OCS failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, OCS's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in OCS's Decision are not supported by substantial evidence
4. The legal conclusion in OCS's Decision is inconsistent with the law.
5. In a case in which OCS's Decision found noncompliance; the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the Decision, the Executive Director or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

1. A copy of the original complaint.

2. A copy of the Decision.

3. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties or gathered by the investigator.

4. A report of any action taken to resolve the complaint.

5. A copy of OCS's complaint procedures.

6. Other relevant information requested by the CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to OCS for resolution as a new complaint. If the CDE notifies OCS that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, OCS will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision

will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by OCS when one of the conditions listed in 5 C.C.R. section 4650 exists, including but not limited to cases in which through no fault of the complainant, OCS has not taken action within sixty (60) calendar days of the date the complaint was filed with OCS

If Charter School fails to issue an investigation report within the required sixty (60) calendar day timeline, a party to a written complaint of prohibited discrimination may appeal directly to the SSPI. The complaint must provide evidence supporting the basis for direct filing and explain why immediate action is necessary.

Complaints alleging noncompliance with Education Code section 243 or 244 may be filed with the SSPI directly, and the SSPI may directly intervene without waiting for an investigation by OCS. The complainant shall present the SSPI with evidence that supports the basis for the direct filing and why immediate action is necessary.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of OCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. before pursuing civil law remedies.

Complainants alleging a violation of Education Code section 220, 243, 244, 51500, 51501, or 60044, may seek civil remedies after sixty (60) calendar days have elapsed from the filing of an appeal with the CDE. before pursuing civil law remedies. The waiting period does not apply to injunctive relief and is applicable only if OCS has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint.
