Proposal to update language in public meeting agenda notices

Background: The current language does not clearly identify where community members should go for specific issues. The new language clarifies these processes.

Current Language:

- Administrative matters, complaints and grievances, and topics related to the day-to-day running of the school are best handled through discussions with Administrative staff, at Parent Collective (PC) meetings and in the case of a grievance or complaint, by following the OCS Complaint Policy (found in the Parent Handbook).

Revised Language:

- For administrative matters and topics related to the day-to-day running of the school, contact OCS administration.
- For grievances or complaints, refer to the OCS General Complaint Policy or OCS Uniform Complaint Policy both found in the Parent/Student Handbook.
